Ride on King Jesus

Ride on King Jesus
No man can hinder thee
Ride on King Jesus ride
No man can hinder thee (2x)

In that great getting up morning
Fare thee well, fare thee well

When I get to heaven gonna wear a robe
No man can hinder thee
Gonna see King Jesus seated on a throne
No man can hinder thee
Gonna walk all over those streets of gold
No man can hinder thee

No man can hinder thee (repeated as directed)
Ride on King Jesus

Hope for Tomorrow

For the one that needs to know that he can make it
For the one who's really struggling with a problem in his life
For the one who's been on the rough side of the mountain
You've got to know
There is hope for tomorrow

For the one who's been down trodden & heart broken
For the one when daily obstacles make them turn away
For the one who finds it hard because skies have all turned gray
You've got to know
There is hope for tomorrow

When our way gets lonely
He's always there to share
When our way get weary
He's there because He cares
When our way gets hard
Hard to bear
Just remember there's hope for tomorrow

There is hope, hope

Our way gets hard
Hard to bear
Just remember there's hope for tomorrow

I know What Prayer Can Do

(L) When I rose this morning, I was
(CH) Praying, I know what prayer can do
(L) When I got up out of my bed, I still was
(CH) Praying, I know what prayer can do

CHORUS Bridge 1:
I know, I know, I know
I know what prayer can do

L) I went all through the day, I still was
(CH) Praying, I know what prayer can do
(L) By myself in church, I still was
(CH) Praying, I know what prayer can do
(L) I was singing in the choir, but I was
(CH) Praying, I know what prayer can do

CHORUS Bridge 1:

Vamp 1 - I know what prayer can do

Vamp 2 - Yes

I Need You to Survive

I need you
You need me
We're all a part of God's body
Stand with me
Agree with me
We're all a part of God's body
It is His will
That every need be supplied
You are important to me
I need you to survive

I pray for you
You pray for me
I love you
I need you to survive
I won't harm you
With words from my mouth
I love you
I need you to survive
